Hard Drive Enclosure Dock Case Best Buy Canada

A hard drive enclosure is a case used to hold a hard drive (or SSD), providing the power it needs to operate, and an interface to connect the drive to a computer. The big names in hard drives are more focused on the drives themselves than standalone enclosures, so specialized third party accessory makers like Startech, Insignia and Tripp Lite are the primary suppliers of hard drive enclosures.

Thinstation List thinstation general Archives

I understand that thinstation 2.01 can read configuration details from thinstation.conf.user files but how do I store the file on the local hard drive (/mnt/disc0/part1) if it is DOS 6.22 (8.3 filenames) formatted as required by syslinux? Is there a way to change the name of the thinstation.conf.user file and still have it be read? I know I am probably overlooking something obvious but I would
