Financial Accounting Robert Libby Patricia Libby Frank

Libby/Libby/Hodge successfully implements a real-world, single focus company approach in every chapter. Students and instructors have responded very favorably to the use of focus companies and the real-world financial statements. The companies chosen are engaging and the decision-making focus shows the relevance of financial accounting regardless of whether or not the student has chosen to

Financial Accounting Patricia Libby Robert Libby

Libby/Libby/Short wrote this text based on their belief that the subject of financial accounting is inherently interesting, but financial accounting textbooks are often not. They believe most financial accounting textbooks fail to demonstrate that accounting is an exciting field of study and one that is important to future careers in business.
